

CommunityDocs

Online Sale and Management of Community Documents

CommunityDocs allows residents, real estate agents, attorneys, or others to purchase community documents in a secure environment, and save you the time-consuming task of copying and mailing.

We manage the purchase and online delivery of the documents - all you do is set the price for a single document or document package and you receive a check at the end of the month!

CommunityDocs creates a new revenue stream for you with none of the work!

Highlights:

- CommunityDocs seamlessly integrates with your TOPS Software, allowing you to offer the service as a benefit of doing business with your company
- Cutting edge security
- Ability to manage users and assign specific communities to specific managers
- Access 24 hours a day, 365 days a year
- The ability to bundle multiple documents into a single transaction
- Online reporting, allowing you to view what has been purchased
- No money out of pocket - You set the prices and at the end of the month receive a check for all purchases less fees
